FOR IMMEDIATE RELEASE

STATE ROUTE 62 PROJECT UPDATE

Morongo Valley – Caltrans continues the improvement project on State Route 62, which began in early January 2006. The project will realign, repave, add curb and gutter and widen shoulders in Morongo Valley and Yucca Valley.

Shoulder paving will take place on Wednesday, May 24, 2006 from 7:00 a.m. to 4:00 p.m. from Hess Blvd. to Mount View. During the work, some intersecting streets will not allow access to SR-62. Detours will be available and motorists are advised to use alternate routes.

Orange cones are a loud signal that it's time to pay immediate attention. Traffic can stop suddenly. Eating, drinking, changing the radio station, or talking on the cell phone --- look away for on split second and you could slam directly into the car in front of you.

Caltrans reminds you to SLOW FOR THE CONE ZONE!
